

THERMOSET[®]

A Vegetarian Dietary Supplement to Support Appetite Control and Healthy Cortisol Function.*

ThermoSet[®] is designed to address those factors that may contribute to weight gain, such as energy level, hormone balance, slow fat burning and stress.*

ThermoSet[®] helps to balance Cortisol levels.* Cortisol is the body's main stress hormone. In excess, it can cause weight gain especially around the waist and face.

THERMOSET[®] SUPPORTS:

- Thermogenesis, an increased metabolic rate and energy production*
- Proper fat metabolism and development of lean body mass*
- Maintenance of Cortisol and blood sugar levels within normal range*
- Appetite control and hunger management*

Fat Burning Support*

- Green Tea, Theobromine, Guarana seed, and Black Pepper support thermogenesis and fat metabolism.* They work together to increase calorie burning and support lean muscle mass within the body.*
- Theobromine, *Eleutherococcus senticosus*, Guarana seed, and Black Pepper support energy production and offer metabolism supportive effects.*

Stress Management & Appetite Control*

- *Eleutherococcus senticosus* and L-Theanine support stress management.* This stress-free state of mind may help to balance Cortisol levels and support weight loss.*
- Hoodia, Guarana seed and Banaba Leaf Extract support appetite control and maintenance of blood sugar levels within normal range.* They act as appetite suppressants to reduce cravings and lower caloric intake.*
- Banaba Leaf, L-Theanine and Chromium support hormone balance and maintenance of Cortisol levels within normal ranges.* Balanced Cortisol supports healthy weight management.*

Nutrients

- Banaba leaf extract contains corosolic acid, which maintains blood sugar levels within normal ranges.*
- *Hoodia gordonii* acts on nerve cells in the brain that sense glucose levels and activates them, making the body feel full.*
- Suntheanine[®] brand L-Theanine has extensive research and documentation with over 45 studies in the areas of stress management, good mood and energy levels.* Research also shows that L-Theanine helps to counteract negative effects of Caffeine like nervousness and jitters. Suntheanine[®] is a registered trademark of Taiyo International, Inc.
- Guarana seed naturally contains caffeine, which supports appetite control, thermogenesis, energy production and calorie burning.*
- Green Tea has a high yield of epigallocatechin-3-gallate (EGCG), which supports metabolism, thermogenesis, appetite control and the maintenance of glucose levels within normal ranges.*
- Chromium supports glucose levels within normal ranges and supports metabolism of lipids in the body.*
- Black Pepper Seed Extract & *Eleutherococcus senticosus* support energy production and helps the body to adapt to stress.*

Suggested Use: As a dietary supplement, take 1 capsule, 3 times daily, 30 minutes before each meal, or as directed by your healthcare practitioner.
