# L-THEANINE

**L-Theanine is a dietary supplement that helps promote a restful state.\***

**Recommended for:**

- Stress Management\*
- Relaxation\*
- Reducing irritability\*

**About L-Theanine**

- **L-Theanine** is a naturally occurring amino acid found in green tea and is a derivative of glutamic acid, a major neurotransmitter in the brain.
- **L-Theanine** is known for its calming effects in the brain and has been shown to support concentration and focus while it reduces irritability and low mood states.\* It directly stimulates production of alpha brain waves, giving the body a sense of deep relaxation and mental alertness without drowsiness.\*
- **L-Theanine** enables the body to produce other calming amino acids, such as dopamine, GABA and Tryptophan and helps with concentration, focus, deep muscle relaxation and improved quality sleep.\*
- **L-Theanine** has been shown to also help the regulation of blood pressure within normal ranges.\* L-Theanine produces beneficial effects on the nervous and cardiovascular systems.\*
- **L-Theanine** from DaVinci® Laboratories is Suntheanine® brand from Taiyo International, Inc. which has been extensively researched. Research studies on Suntheanine® include reducing stress and irritability, promoting relaxation, sleep quality, learning and concentration.\*

- Suntheanine® brand L-Theanine is structurally identical to the L-Theanine compound naturally found in green tea. It should be noted however, that all research mentioned was conducted using Suntheanine® brand and not L-Theanine from Green Tea Extract.
- **L-Theanine** can be used daily or just when you need to relax.\*
- **L-Theanine** from Suntheanine® supports relaxation without causing drowsiness.\*
