

ZINC LOZENGE + ELDERBERRY

MADE WITH
**NON
GMO**
ingredients

Defend Against Immune Challenges All Year Long with Zinc, Elderberry, and D3*

- Keep the immune system strong*
- Support healthy lungs*
- Soothe throat tissues*
- Contains healthy sweeteners

This convenient lozenge delivers immune boosters to the tissues that need it most: the throat and sinuses.* Zinc lozenges are well-studied for supporting respiratory health and keeping throat tissues comfortable and healthy.* Elderberry (*Sambucus nigra*) has a good track record as a botanical involved in lung and immune system health.* Vitamin D3 keeps immune cells working at peak capacity.* Many elderberry and zinc lozenges on the market contain sugar, but our lemon-berry lozenges taste great and are sweetened with xylitol, stevia, and honey powder.

Feel Better with Zinc*

Zinc inadequacy is associated with a poorly functioning immune system.* In addition, many studies show that zinc supplementation can support feelings of wellness.* Zinc keeps the lungs strong and healthy.* Plus, it's involved in other areas of health including comfortable joints, unblemished skin, and fertility in both men and women.*

Keep the Upper Respiratory Tract Healthy with Elderberry*

Elderberry has been used in folk medicine for centuries to support the upper respiratory tract and sinuses.* Modern research shows that elderberry maintains immune health in air travelers.* In addition, a meta-analysis¹ of the medical literature including 180 participants found that elderberry supplementation is an effective way to support upper respiratory health.*

Power Up Immune Cells with Vitamin D3*

Higher vitamin D levels are linked to staying healthy.* Vitamin D3 supports immune cells like macrophages and T cells.* Vitamin D in optimal amounts balances levels of proteins known as cytokines and keeps the lungs healthy.* Inadequate levels are common due to time spent indoors, the use of suntan lotion, older age, and darker skin.* This vitamin is also important for bones and the heart.*

Zinc Lozenge + Elderberry Is Recommended For:

- Boosting the immune system*
- Maintaining health during immune challenges*
- Healthy respiratory tract and lungs*
- Comfortable ears, nose, and throat*
- Healthy travelers*

Suggested Use: As a dietary supplement, take 1 lozenge daily, or as directed by your healthcare practitioner. Let dissolve in mouth.
