

MEGA PROBIOTIC™ ND WITH DIGESTIVE ENZYMES CHEWABLE

Mega Probiotic™ ND with Digestive Enzymes Chewable is a gluten free, vegetarian and probiotic digestive enzyme supplement for adults.*

Mega Probiotic™ ND with Digestive Enzymes Chewable Features:

- Vegetarian source of enzymes and probiotics
- Lactase to break down milk sugar and dairy products
- Protease enzyme

Recommended For:

- Enzyme support in vegetarians*
- Proteolytic enzyme support*
- Geriatric individuals or those individuals under stress*
- Support for those with a need for additional enzyme and probiotic support*

Lactase supports the breakdown of lactose, a milk sugar.* If lactose is not broken down properly it can cause intolerance in some individuals.*

Bromelain is a proteolytic that digests proteins into smaller units (peptides and amino acids) for better absorption and utilization.* Incomplete digestion of proteins can lead to food sensitivities in some individuals.*

Protease enzymes break down proteins into peptides and amino acids necessary to support proper growth and repair of cells and help the production of enzymes, hormones and DNA.*

Lipase enzymes help digest and assimilate fats which are essential for the absorption of fat soluble vitamins.*

Amylase breaks down carbohydrates for energy to drive our brains, nervous system, heart, lungs and muscles.*

Probiotics

- Lactobacilli strains are located in the small intestine and produce lactic acid. Many strains of bacteria from the lactobacillus family have been shown to support regularity and urogenital health, produce the lactase enzyme and help protect the gut from unwanted microorganisms.*
- **Bifidobacterium** are located in the colon and produce lactic acid and acetic acids, making the gut a very inhospitable place for unwanted material. Bifidobacteria also support regularity*. *Bacillus coagulans* is a spore forming, lactic acid producing bacteria. It supports immune system function, elimination of unwanted material and has been shown to help reduce gas and bloating.*

Suggested Use: As a dietary supplement, chew 1 tablet, 3 times daily, with meals, or as directed by your healthcare practitioner.

CHERRY FLAVOR

Supplement Facts	
Serving Size 1 Chewable Tablet Servings Per Container 90	
Amount Per Serving	% Daily Value
Calories 5	
Total Carbohydrates 1 g	<1% †
Proprietary Blend of Non-Dairy Probiotic Culture 318.75 mg * containing <i>Bacillus coagulans</i> , <i>Lactobacillus acidophilus</i> , <i>Lactobacillus bulgaricus</i> , <i>Lactobacillus rhamnosus</i> , <i>Bifidobacterium breve</i> , <i>Bifidobacterium longum</i> (14 billion CFU/g)	
Proprietary Blend of Digestive Enzymes 156.2 mg * containing Amylase (100,000 SKBU/g), Lactase (15,000 ALU/g), Bromelain (2,400 GDU/g), Lipase (15,000 FIP/g), Cellulase (6,000 CU/g), Protease (5,000 HUT/g).	
Stevia Leaf Extract 12 mg	*
†Percent Daily Values are based on a 2,000-calorie diet. *Daily Value not established.	

Other ingredients: mannitol, vegetable stearate, citric acid, natural cherry flavor, silicon dioxide.
