

SPECTRA MULTI AGE[™]

A Tasty Multivitamin and Multimineral for the Whole Family

- Brain function*
- Better nutrient absorption*
- Digestive health*
- Healthy bones*
- Immune support*
- Cardio health*

DaVinci[®] Laboratories created Spectra Multi Age[™], a multivitamin and mineral powder to nourish your whole family, from ages four and up.* A delicious lemon-lime flavor great for choosy eaters or people who have a hard time swallowing, it can be mixed into any cold drink or soft food. With Spectra Multi Age[™], no longer worry whether you or your loved ones are getting the nutrients needed for optimal health.*

Fuel Your Brain*

Spectra Multi Age[™] contains choline, inositol, and lecithin to support the nerves.* L-glutamine, another ingredient, fuels your brain to boost mental and physical energy and encourage a positive mood.*

Energize Yourself*

Vegetarian digestive enzymes like amylase, protease, lipase, hemicellulase, lactase, and bromelain promote healthy digestion for better nutrient absorption.* Better use of nutrients gives you more energy to conquer daily challenges and support focus and concentration.* Digestive enzymes also maintain intestinal regularity and reduce occasional constipation and diarrhea.*

Stay Strong and Active*

Calcium, magnesium, phosphorus, boron, and vitamins D3 and K support growing and mature bones, so that all ages benefit.* Magnesium boosts the absorption of other bone-building nutrients like calcium and potassium, while vitamins D3 and K work together to maintain bone health and guide calcium into the bones where it belongs.* Calcium protects bones and teeth from lead by blocking its absorption.*

Recharge Your Immune System*

Spectra Multi Age[™] boosts immune health thanks to ingredients like dimethylglycine (DMG), alpha lipoic acid, B vitamins, bioflavonoids, and vitamin C.* These nutrients support the health of immune cells.*

Promote Heart Health*

Some of the best known cardio support nutrients are included in Spectra Multi Age[™] such as coenzyme Q10 (CoQ10), L-carnitine, and vitamin D3.* The formula also boasts other heart healthy ingredients like DMG and B vitamins.* Magnesium and potassium support a healthy heart rhythm and blood pressure already in the normal range.*

Spectra Multi Age[™] is recommended for:

- Overall nutritional support*
- Diets low in vegetables, fruits, or protein*
- People who can't swallow pills*
- People who need support digesting and absorbing food*
- Energy to face daily challenges*
- Both growing and mature bones*
- Supporting immunity*
- Promoting a healthy heart*

Suggested Use: As a dietary supplement, mix amount indicated below, into 6-8 oz of cold water or juice, or as directed by your healthcare practitioner.

Children 4-12: 1/2 scoop daily, with a meal.

Over 12: 1 scoop, daily with a meal.
