

LIPOSOMAL C

A Liposomal Vitamin C Dietary Supplement*

Liposomal Vitamin C:

- Is vegetarian
- Is available in a liquid liposomal delivery system to support assimilation and bioavailability*
- Helps maintain collagen*
- Helps the body form red blood cells*
- Helps to provide antioxidant protection against free radicals*
- Supports the immune system*
- Supports gum tissue health*

About Vitamin C

Vitamin C (Ascorbic acid) is an essential, water soluble nutrient that acts as an antioxidant by protecting the body against oxidative stress.* When there are more free radicals (reactive oxygen species, ROS) in the human body than antioxidants, oxidative stress occurs. Oxidative stress can lead to many health challenges. Vitamin C is also a cofactor in at least eight enzymatic reactions, including several collagen synthesis reactions. Vitamin C is found in high concentrations in immune cells, and it is consumed quickly when the immune system faces a challenge.

Liposomal Delivery System

Liposomal encapsulation of ingredients represents a new delivery system that offers important advantages over existing methods of delivery. The liposome has hydrophilic and hydrophobic sides offering a fat and water portion which allows Vitamin C to be absorbed through the fat and water soluble pathways for optimal utilization by the body.* This liposomal delivery system can be especially beneficial for patients who have gastrointestinal health challenges, and for those patients who require large amounts of Vitamin C.*

Suggested Use: As a dietary supplement, take 1 teaspoon (5 ml) once or twice daily with food, or as directed by your healthcare practitioner. Shake well before each use.

Supplement Facts

Serving Size 1 Teaspoon (5 ml)
Servings Per Container 60

Amount Per Serving	% Daily Value
Calories 15	
Total Carbohydrates 3 g	1%†
Vitamin C (as Sodium Ascorbate) 1,250 mg	1,389%
Sodium (as Sodium Ascorbate) 160 mg	7%
Stevia Leaf Extract 10 mg	*

† Percent Daily Values are based on a 2,000 calorie diet.
*Daily Value not established.

Other Ingredients: glycerin, purified water, sunflower lecithin, sunflower oil, oleic acid polyglyceride, ascorbyl palmitate, natural flavors, ascorbic acid, xanthan gum, rosmarinic acid, mixed tocopherols, potassium sorbate.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.

Caution: Contents may be under pressure. Open slowly on a level surface only when bottle is at room temperature or cooler. Open with caution and away from the face.

VEGETARIAN / SOY FREE / GLUTEN FREE / NON-GMO
