

ADRENALYZE™

Adrenalize™ is an advanced vegetarian formula designed to support proper functioning of the adrenal glands.*

Adrenalize™ provides a variety of nutritional and botanical factors that support:

- Stress management*
- Healthy cortisol levels*
- The immune system*
- Energy*

Adrenal Gland Function

- Pantethine, B Vitamins and Phosphatidylserine are nutrients that support healthy adrenal gland function.* Pantethine is related to vitamin B5 and helps to prevent over secretion of cortisol.* It is also a precursor to Coenzyme A, a stress reducing enzyme necessary for adrenal function.* B Vitamins and Phosphatidylserine support adrenal gland function by supporting stress management.*

Stress Management

- Riboflavin, Niacin, B6, Folic Acid, B12 and Biotin support adrenal function, stress management, blood glucose metabolism and energy production.* Vitamin C acts as an antioxidant within the adrenal cortex and supports the production of adrenal steroid hormones such as Cortisol, which is synthesized from progesterone within the adrenal cortex and is involved in stress adaptation.* B Vitamins support the adrenal glands in the production of hormones and coenzymes, and by maintaining the health of the nervous system.*
- Ashwagandha, Ginseng, Licorice, Pantethine and Phosphatidylserine work to support stress management and help to maintain cortisol levels within normal ranges.*

Cortisol Support

- Licorice helps to reduce the amount of hydrocortisone broken down by the liver, which reduces the workload of the adrenal glands.* Phosphatidylserine is considered a nutrient to support the management of both physical and emotional stress.* It helps to modulate cortisol over-production and has been shown to have a positive effect on mood.* Pantethine helps to reduce the over secretion of cortisol.*

Energy Support

- B Vitamins, Ginseng and Licorice work together to support improved energy.* Licorice along with *Eleutherococcus senticosus* Root Extract and *Panax ginseng* are herbs that are well known for their ability to promote energy and vitality.* They help to rejuvenate the adrenal glands, reduce mental fatigue as well as support physical stamina and endurance.* B Vitamins are crucial for helping the body cope with stress and are essential for numerous functions including food metabolism and energy production, the formation of red blood cells, protecting cells against free-radicals, blood sugar regulation, supporting adrenal glands in the production of hormones, regulating electrolyte balance and maintaining the health of the nervous system.*

Suggested Use: As a dietary supplement, take 1 capsule, 3 times daily, or as directed by your healthcare practitioner. If digestive upset occurs, take with food.

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 90

Amount Per Serving	% Daily Value
Vitamin C (as Ascorbic acid and Ca Ascorbate) 100 mg	111%
Thiamin 25 mg	2,083%
Riboflavin 25 mg	1,923%
Niacin (as Niacinamide) 25 mg	156%
Vitamin B6 (as Pyridoxal-5-Phosphate) 25 mg	1,471%
Folate (as L-Methyltetrahydrofolate Calcium) 100 mcg DFE	25%
Vitamin B12 (as Methylcobalamin) 20 mcg	833%
Biotin 75 mcg	250%

Pantethine 50 mg	*
<i>Eleutherococcus senticosus</i> Root Extract 150 mg	*
Ashwagandha Extract 150 mg yielding Withanolides 3.75 mg	*
Phosphatidylserine Complex (from soy) 50 mg	*
<i>Panax Ginseng</i> Extract 50 mg	*
Deglycyrrhizinated Licorice (<i>Glycyrrhiza glabra</i>) Root Powder 10 mg	*

*Daily Value not established.

Other ingredients: hypromellose (capsule), vegetarian leucine, microcrystalline cellulose.

Contains: Soy.

Warning: If pregnant, diabetic, have hypertension, or are on blood thinning medications, consult your healthcare practitioner before taking this product.

Caution: This product is not intended for long term use. Discontinue 2 weeks prior to surgery.

VEGETARIAN / GLUTEN FREE
