

# LIBIDO

## The Ultimate Aphrodisiac Formula for More Pleasure in Bed

- Increased stamina & drive\*
- Promotes strong sexual function\*
- More intense orgasms\*
- Increased tactile sensations\*
- Improved intimacy\*

Sex is one of life's pleasures, but so many things can get in the way of lovemaking. Stress is one of the biggest libido killers.\* It's hard to think about sex when you're stressed about work deadlines or other worrisome situations.\* And once you can find time with your partner, you're exhausted.\* DaVinci<sup>®</sup> Laboratories created Libido to improve sexual stamina, enhance sexual desire, and reduce stress in both men and women.\*

### A Comprehensive Collection of Aphrodisiacs\*

Libido contains botanicals known for their ability to boost sexual excitement, support drive and arousal, and get you in the mood.\* Horny goat weed, Catuaba, Maca, Muira puama, Tongkat ali, *Tribulus terrestris*, and *Rhodiola rosea* are botanical aphrodisiacs that make men harder and give them longer-lasting erections, create more pleasure during physical intimacy, and lead to more powerful orgasms.\* These same botanicals create stronger sexual desire in women, more pleasure when touched, and more frequent and more intense climaxes.\*

### Keeps You in the Mood for Sex\*

It's difficult to feel much passion in the bedroom if you're thinking about work or other worries.\* Libido includes adaptogens like Dimethylglycine (DMG), Ashwagandha, Maca, Muira puama, and *Rhodiola rosea* that help you cope with stress.\* DMG, Horny Goat Weed, Maca, Muira puama, *Tribulus terrestris*, Damiana, and Tongkat ali all support a passionate mood by balancing key hormones and brain chemicals involved with sexual arousal.\* A lot of these same botanicals enhance concentration, so you can focus on lovemaking.\*

### Increases Stamina in the Bedroom\*

Ingredients like DMG, Maca, and *Rhodiola* give you lots of energy, boosting performance and endurance.\* The formula stops you from getting tired, both physically and mentally, so you can spend hours connecting with your significant other.\*

### Increases Physical Sensation\*

Ingredients like Catuaba, Cnidium, and Damiana stimulate sensory nerves, muscle control, and blood flow, which promotes more pleasure from touch, improved physical vigor in men, and enhanced intimate sensations in women.\*

### Libido is recommended for:\*

- Increased drive and arousal\*
- Energy\*
- Satisfying sex\*
- Hormone balance\*
- Fertility support\*
- Sexual intimacy\*
- Relaxation and focus\*

**Suggested Use:** As a dietary supplement, follow recommendations below or take as directed by your healthcare practitioner. **Women:** Take 1 capsule on an empty stomach, twice daily as needed.

**Men:** Take 1 capsule on an empty stomach, 3 times daily as needed. The effects of this formula may begin in several hours after ingestion and may last all day.

**For long-term use:** take the recommended amount, indicated above, in intervals of 2 weeks on and 2 weeks off.
