

HAIR, SKIN & NAILS

The Science-Based Answer to Full Hair, Smooth Skin, and Strong Nails*

- Keeps skin soft, supple, and smooth*
- Encourages full, glossy hair in both men and women*
- Promotes strong nails*
- May help hair maintain its youthful color*

Everyone wants full, shiny hair; smooth, supple skin; and strong nails. Unfortunately, factors like cold, dry winter weather, aging, and sun exposure can lead to a less-than-ideal appearance. DaVinci[®] Laboratories Hair, Skin & Nails formula counteracts these challenges to promote glossy hair, youthful-looking skin, and beautiful nails.*

Leads to Full, Healthy Hair*

Hair, Skin & Nails contains Methylsulfonylmethane (MSM), a rich source of sulfur, which promotes hair growth.* MSM also strengthens hair and increases blood supply to the scalp, encouraging a full mane.* What's more, the formula includes 5,000 micrograms of biotin, a B vitamin that keeps hair strong due to its important role in the natural hair-manufacturing process.* The formula contains the active, most usable forms of other B vitamins such as B6 and folate to promote fuller hair.* In addition, zinc is included to stimulate hair growth and help maintain its youthful color.*

Keeps the Skin Soft and Hydrated*

The hyaluronic acid (HA) in Hair, Skin & Nails moisturizes the skin.* Replenishing HA—which declines with age—leads to soft, smooth skin, supports the skin-healing process, and enhances dermal tone.* Plus, sulfur-rich MSM in the formula keeps skin soft, supple, and smooth.*

Good Source of Silicon and Collagen*

Hair, Skin & Nails contains horsetail herb extract, a rich source of silicon.* Silicon is necessary for full, shiny hair and promotes collagen synthesis.* Additional collagen in the formula leads to firm, hydrated skin.* HA provides synergistic support by nourishing and hydrating collagen.*

Promotes Strong Nails*

Biotin in the Hair, Skin & Nails formula strengthens nails and may keep them from becoming brittle.* Furthermore, the primary mineral in nails is silicon. That's why silicon-rich horsetail herb extract may promote strong nails.*

Hair, Skin & Nails Is Recommended For:

- Youthful-looking skin and hydrated lips*
- Healthy growth of hair and nails*
- Cell recovery*
