

# MULTIPHASE DETOX™

## The Ultimate Defense Against a Toxic World\*

- Supports multiple phases of detoxification\*
- Enhances kidney, liver, and colon health during detox\*
- Benefits anyone accidentally exposed to solvents, environmental toxins, and drugs\*

Every day, you're exposed to health-harming toxins.\* They're in the air you breathe, the water you drink, your food—even common household products.\* You can't escape toxins, but you can support your health with DaVinci<sup>®</sup> Laboratories MultiPhase Detox™.\* This formula provides vitamins, amino acids, and botanicals that boost the liver's ability to expel unwanted elements from the body while supporting all three detox phases.\* Many of the ingredients are easily absorbed special forms.\*

### Say Goodbye to Heavy Metals and Other Toxins\*

MultiPhase Detox™ supplies critical amino acids that naturally bind and remove toxins.\* These amino acids also build glutathione, a heavy metal chelator and "master antioxidant." Ingredients like Siliphos<sup>®</sup> Silybin Phytosome™—a patented form of milk thistle's active component silymarin—supports the liver's ability to rid the body of toxins.\* CurcuWIN<sup>®</sup> turmeric extract enhances liver health by supporting bile production.\* The liver makes bile to remove toxins through the intestines.\* Chlorella-Cracked Cell Powder binds with heavy metals and unwanted elements like mercury, lead, and cadmium. N-acetyl-L-cysteine, alpha-lipoic acid, and LeucoSelect<sup>®</sup> Phytosome™ (grape seed extract) all neutralize free radicals while supporting liver health.\*

### Support Colon Health Against Toxin Exposure \*

MultiPhase Detox™ contains the probiotic *Bacillus coagulans* to support intestinal wellness and elimination.\* The *B. coagulans* used in this formula is from a vegetarian, dairy-free source.\* Burdock root is included in MultiPhase Detox™ as a source of inulin and mucilage, which soothes the GI tract.\* A prebiotic and fiber, inulin keeps the colon healthy and the microbiota in the gut happy during and after a detox program.\*

### Support Kidney Detoxification\*

After the liver detoxifies a harmful substance, the toxin can be eliminated from the body through bile or urine.\* Uva Ursi leaf extract is included in MultiPhase Detox™ for its kidney-supporting properties.\* Stinging Nettle leaf extract helps remove toxins through the kidneys.\*

### MultiPhase Detox™ is recommended for:\*

- Detoxification of harmful substances\*
- Brain fog\*
- Chemical sensitivities\*
- Incidental occupational exposures\*
- Maintaining healthy weight and metabolism\*
- Muscle discomfort\*
- Occasional head discomfort\*
- Intermittent exhaustion\*
- Occasional lack of coordination\*

**Suggested Use:** As a dietary supplement, take 6 capsules daily for up to 1 month, or as directed by your healthcare practitioner. Detoxification programs are not intended for long term use. Consult your healthcare practitioner if you plan to use the formula for more than 1 month at a time.

## Supplement Facts

Serving Size 6 Capsules  
Servings Per Container 15

Amount Per Serving	% Daily Value
Magnesium (as Mg Citrate) 100 mg	24%
Selenium (as Selenomethionine) 60 mcg	109%
Chlorella-Cracked Cell Powder 1,000 mg	*
<i>Bacillus coagulans</i> 5 billion CFU	*
N,N-Dimethylglycine HCl (DMG) 500 mg	*
L-Glycine 300 mg	*
L-Glutamine 300 mg	*
L-Taurine 300 mg	*
CurcuWIN <sup>®</sup> Turmeric ( <i>Curcuma longa</i> ) Root Extract 200 mg	*
yielding curcuminoids 40 mg	
Siliphos <sup>®</sup> Silybin Phytosome ( <i>Silybum marianum</i> Seed Extract / Phosphatidylcholine Complex) 200 mg	*
Stinging Nettle ( <i>Urtica dioica</i> ) Leaf 4:1 Extract 167 mg	*
Uva ursi Leaf 4:1 Extract 167 mg	*
Burdock ( <i>Arctium lappa</i> ) Root 4:1 Extract 167 mg	*
LeucoSelect <sup>®</sup> Phytosome (Grape Seed ( <i>Vitis vinifera</i> ) Extract / Phosphatidylcholine Complex) 100 mg	*
Alpha-Lipoic Acid 60 mg	*
N-Acetyl-L-Cysteine 250 mg	*

\*Daily Value not established.

Other Ingredients: vegetable cellulose (capsule), vegetarian leucine, silicon dioxide.
