

OMEGA 3 HP-D

A Superior Combination of High-Potency Omega-3s Plus Vitamin D3

- Supports heart health*
- Maintains a calm immune response*
- Keeps joints comfortable*
- Promotes smooth, supple skin*
- Supports a sharp memory and brain function*
- Maintains healthy bones*

The brain, heart, immune system, bones, joints, and skin all require omega-3 fatty acids and vitamin D for optimum health.* The best way to get enough of these two nutritional powerhouses is with Omega-3 HP-D from DaVinci Laboratories.* It nourishes the body with 2,520 mg of high-potency, pure omega-3 fatty acids plus a generous 1,000 IU of vitamin D3, so you can feel and look your best.*

A Heart Healthy Duo*

Omega-3s are an important indicator of heart health and they support healthy cholesterol levels already in the normal range.* Optimal vitamin D levels encourages normal blood pressure levels and promotes healthy vascular function.*

Strong Bones and Joints*

Vitamin D3 is required for healthy bones.* Omega-3 fatty acids support flexible, comfortable joints.* This makes them the perfect pair to maintain mobility and to stay active.*

Other Benefits of Omega-3 HP-D*

As a hormone, vitamin D can turn genes on or off and has far-reaching effects throughout the body.* This includes supporting healthy immunity.* Its receptors are found in every cell of the immune system.* It also helps cells grow at healthy rates.* Meanwhile, omega-3s maintain the function of immune cells such as macrophages and neutrophils.* They also keep the brain functioning at peak capacity, to counteract mild absent-mindedness.* Plus, omega-3s support smooth, youthful skin.*

The Omega-3 HP-D Advantage*

- Superior quality, high-potency formula nourishes the body with high amounts of EPA and DHA combined with 1,000 IU of vitamin D3.*

- Great-tasting lemon-flavored softgels that don't lead to unpleasant "fish oil burps."
- An extremely pure and stable formula featuring omega-3s from wild caught anchovies, sardines, and tuna. The oil is molecularly distilled to make sure it contains beneficial amounts of EPA and DHA and to keep it from easily oxidizing.

Suggested Use: As a dietary supplement, take 2 softgels daily, or as directed by your healthcare practitioner.

Supplement Facts

Serving Size 2 Softgels
Servings Per Container 30 or 60

Amount Per Serving	% Daily Value
Calories 25
