

TELOMERE BENEFITS™

An Easy Way to Age Gracefully*

- Encourages a healthy aging process and vibrant life*
- Supports mobility as you age*
- Maintains cognitive health*
- Promotes all aspects of health, including fertility*

When it comes to aging gracefully, telomeres play a critical role.* Telomeres are caps at the ends of your chromosomes, like the plastic caps at the ends of shoelaces that keep the laces from unraveling. Telomeres get shorter and shorter as your cells divide and age. Like a genetic clock running out of time, telomeres eventually get so short that the cell dies. Shorter telomeres are linked to reduced lifespan and many health problems.*

Telomeres are responsible for the health of every bodily system.* If you want to maintain mobility as you age, have good eyesight, think clearly, and continue to do the things you love to do even in your senior years, then you need to stop your telomeres from shrinking.* Enter DaVinci® Laboratories Telomere Benefits™. It contains Astragaloside IV (AG-IV), an extract of the Astragalus membranaceus plant known to support telomere health.*

Telomerase Is the Answer to Health and Longevity*

Telomerase is an enzyme that joins DNA sequences, or building blocks, to telomeres.* Telomerase keeps telomeres long and healthy.* Diet and lifestyle improvements can increase telomere length. Yet, factors like aging, as well as stress and high cortisol levels can deplete your telomerase levels and shorten your telomeres.*

A Proprietary Way to Boost Telomerase*

The astragalus extract known as AG-IV is a powerful way to support telomerase activity and contribute to memory, vitality, muscular strength, energy, fertility, heart health, immune support, and feeling young.* AG-IV is normally found in astragalus, but its concentration can vary and is often only found in small amounts in the plant itself.

The good news? Telomere Benefits™ includes beneficial amounts of AG-IV. We use a unique, proprietary process that isolates a consistent concentration of this compound, eliminating the need to use prohibitively large or expensive quantities of astragalus root to deliver the necessary level of AG-IV extract.* Thanks to this technology, you can take control and age with grace.

Telomere Benefits™ is recommended for:

- Staying active in your senior years*
- Maintaining memory and cognitive function*
- Healthy aging*
- Protecting the heart, kidneys, and lungs*
- Supporting fertility*
- Immune support during aging*

Suggested Use: As a dietary supplement, Adults take 1 capsule once or twice daily, or as directed by your healthcare practitioner.

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 60

| Amount Per Serving | % Daily Value |
|--|---------------|
| Astragalus (<i>Astragalus membranaceus</i>) | |
| Root Extract 250 mg | * |
| yielding Astragaloside IV 25 mg | * |

*Daily Value not established.

Other ingredients: hypromellose (capsule), microcrystalline cellulose, vegetarian leucine.

Warning: If pregnant, nursing, or planning to become pregnant do not take this product.

Caution: If you have an autoimmune disease or if you are taking immuno-suppressants, consult with your healthcare practitioner before taking this product.
