

COLLAGEN BRIGHT™

Easily Absorbed Collagen Formula for Glowing, Healthy Skin*

- Leads to smooth, touchable skin*
- Supports healthy aging properties of the skin*
- Keeps hair full and nails strong*
- Contains an easily absorbed type of collagen

Collagen is the building block for your skin, joints, bones, nails, hair, blood vessels, and arteries.* DaVinci[®] Laboratories **Collagen Bright™** contains ingredients known to support nourishing levels of collagen.*

Minimizes Wrinkles and Fine Lines*

Collagen Bright™ contains an exceptional form of collagen, hyaluronic acid, vitamin C, Cordyceps, and biotin, which support collagen rebuilding and healthy aging properties of the skin.* Working in combination, these ingredients promote healthy skin, support skin hydration, and minimize wrinkles and fine lines.*

A Superior Form of Collagen*

A key player in the formula is Morikol[®] tripeptide marine collagen, a special type of very low molecular weight collagen your body absorbs easily so that it goes right to work protecting the skin.* Morikol[®] boasts more tripeptides than other collagen brands. The formula also includes other collagen-supporting superstars including vitamin C and sodium hyaluronate, as well as biotin and Cordyceps, a health-promoting mushroom used in traditional Chinese medicine.*

Smooth, Hydrated, Youthful-Looking Skin*

Skin tissue uses the tripeptides in Morikol[®] collagen to regenerate.* In a clinical study of aging women, the tripeptide formulation* improved skin elasticity and hydration and reduced roughness, crow's feet, and wrinkles.* Sodium hyaluronate as a source of hyaluronic acid teams up with Morikol[®] tripeptides* to act as a natural moisturizer for skin.* The tripeptides* and Cordyceps extract keep skin cells healthy after exposure to the sun's ultraviolet rays.* Cordyceps protects skin from free radical damage and DNA damage that come with daily wear and tear.*

Gorgeous Hair and Strong Nails*

Biotin and collagen are a dynamic duo in regards to healthy hair and nails.* Biotin promotes thick, healthy hair and strong nails.* Collagen peptides nourish the body with the amino acids and nutrients it needs to fuel hair growth.*

Collagen Bright™ is Recommended For:

- Aging, dry, or damaged skin*
- Support for skin exposed to the sun's damaging UV rays*
- Thin hair and brittle nails*

Suggested Use: As a dietary supplement, take 7.5 ml (approximately ½ tablespoon), once daily or as directed by your healthcare practitioner. Shake well before use. Product can also be mixed with a small amount of water or juice if desired.

Supplement Facts

Serving Size 7.5 ml (approx. 1/2 tablespoon)
