

# CURCUMIN C3 COMPLEX<sup>®</sup>

**An herbal supplement to support proper liver and gallbladder function.\***

Turmeric, a flavoring spice rich in Curcumin, has liver protective, detoxifying and free radical scavenging properties.\*

**Turmeric (*Curcuma longa*) is an antioxidant that:**

- Protects against free radical damage and unwanted substances in the liver.\*
- Normalizes gallbladder function\*
- Aids in digestion\*
- Helps maintain cholesterol levels within normal ranges\*
- Supports circulation and blood vessel health\*

Used in Ayurvedic medicine as a cleansing herb for the whole body and in Chinese medicine to support liver, gallbladder, digestive, and circulatory health.\*

Today it is known to be useful in situations in which high levels of antioxidant support are necessary.\*

The volatile oils in Turmeric support joint comfort and bile production, which supports better fat digestion.\*

Turmeric supports intestinal flora and the mucus membranes of the body, including those of the digestive tract, which is important after a course of antibiotics and for those with dysbiosis (unbalanced intestinal flora).\*

Turmeric supports absorption and metabolism, has a soothing effect on the mucosa of the gut and helps protect the stomach against excess acid.\*

Curcumin supports production of B and T cells which is useful for supporting proper immune system function.\*

Curcumin also supports production of bile as well as enzymes that digest sugars and fats to help maintain blood cholesterol levels within normal ranges.\*

The active ingredients in Turmeric are thought to be its volatile oil and various curcuminoids, especially curcumin. Our Turmeric is standardized to yield 475 mg (95%) Curcumin per capsule.

Turmeric has GRAS (Generally Recognized As Safe) status in the U.S. as a food product.

**Suggested Use:** As a dietary supplement, take 1 capsule daily with breakfast and 1 capsule with lunch, or as directed by your healthcare practitioner.
