

SPECTRA ORANGES™

A Delicious Burst of Fast-Acting Energy*

- Energy-rich orange fruit and vegetable blend
- Supports physical performance, concentration, and focus *
- Delivers critical phytonutrients to those who don't get enough fruits and vegetables*
- Tasty stevia-sweetened drink mix*

According to the CDC, only 10% of Americans eat the daily recommended amount of fruits and vegetables.* If you're not eating enough of these foods, you're missing critical phytonutrients that keep you energized.* DaVinci[®] Laboratories makes it easy to boost your intake of orange vegetables and fruits with Spectra Oranges™, a tasty drink mix that also includes energizing ingredients like green coffee bean extract, Korean White Panax ginseng, dimethylglycine (DMG), taurine, inositol, and Fibersol-2®.*

Mother Nature's Energy Drink*

Orange fruits and vegetables provide protein and fiber as well as long-lasting energy from natural sugars and carbohydrates.* That's why Spectra Oranges™ includes oranges, peaches, nectarines, tangerines, cantaloupe, pineapples, clementines, papayas, apricots, mangoes, kumquats, and persimmons.* The drink mix also includes yams, pumpkin, carrots, butternut squash, and rutabaga.*

Ramp Up Your Physical Performance and Energy*

Spectra Oranges™ contains several energy-boosting ingredients.* While naturally low in caffeine, green coffee bean extract provides a safe energy boost when taken at suggested serving amounts.* It gives you more stamina and can help reduce muscle fatigue.* Korean White Panax ginseng* helps you cope with stress and supports your adrenal glands.*

DMG (dimethylglycine) supports muscle recovery and endurance. Taurine regulates heartbeat, muscle, and energy levels.* Inositol helps the body use fat as fuel and helps muscles contract more efficiently.* Together, these ingredients help support energy levels so you can do more.*

Keep Your Brain Sharp*

Spectra Oranges™ boosts mental energy, too.* Green coffee bean extract and Fibersol-2® slow the release of glucose into the bloodstream after eating, reducing post-meal sluggishness and afternoon slumps.* DMG also supports mental alertness and brain function.* Overall, the ingredients may help sharpen your memory, focus, and attention so you can be more present at home, at work, or at play.*

Spectra Oranges™ is recommended for:*

- Diets lacking in fruits and vegetables*
- Physical performance*
- Energy*
- Fat and glucose metabolism*
- Productivity*
- Promoting focus and attention*
- Minimizing post-meal energy slumps*

Suggested Use: As a dietary supplement, mix 1 rounded scoop (10 g) in 6-8 oz of cold water or juice, once daily, or as directed by your healthcare practitioner.
