

HEALTHY VEINS

- **Healthy Veins is a vegetarian dietary supplement to support vascular health.***
- **Healthy Veins** is designed to support vascular integrity and tone throughout the body.* When vascular walls break down, become weak, or leak, conditions may arise such as hemorrhoids, spider veins and varicose veins.
- **Healthy Veins** contains two powerful flavonoids, Diosmin and Hesperidin combined with high-quality Butcher's Broom Extract and Vitamin C.

Healthy Veins Supports:

- Proper structure and function of leg veins*
- General circulation*
- Healthy blood flow from capillaries to venules*
- Blood vessel and capillary strength and integrity*

About the formula:

• Diosmin and Hesperidin:

- The combination of two powerful bioflavonoids that provide significant support for leg and foot health by relieving heaviness, restlessness, heat sensation, night cramping and discomfort.*
- They support capillary strength.*
- They promote healthy vein tone, elasticity and circulation.*
- Diosmin provides strong antioxidant activity to help support vascular integrity and circulation.*

• Vitamin C:

- Supports collagen synthesis, vascular wall function and capillary strength.*
- Taking vitamin C with flavonoids supports blood circulation and supports the strength of the walls of the veins and capillaries.*

• Butcher's Broom Root Extract:

- Contains saponin glycosides called ruscogenins. Research has shown that these ruscogenins reduce the fragility and permeability of capillaries, and tighten veins.*
- Strengthens capillary walls and supports the circulatory system by promoting healthy blood flow to the brain, hands and legs.*

• Mixed Citrus Bioflavonoids:

- Support the strength and permeability of the capillary wall*
- Promote healthy blood flow*
- Perform as powerful antioxidants*

Suggested Use: As a dietary supplement, take 2 capsules daily with a meal or as directed by your healthcare practitioner.
