# CANDID-AWAY™

• **A dietary supplement to support G.I. tract microflora balance and detoxification functions.\***

• **Recommended for:**  
Restoring balance to the body during times of microflora imbalance\*

### What Is Candida?

Candida albicans is a naturally occurring yeast that is usually kept under control by beneficial bacteria (probiotics) like acidophilus.\* These bacteria, however, can be destroyed by birth control pills, antibiotics, steroids, cortisone drugs, chlorinated water, poor diet and extreme stress.\* When this occurs, candida can grow out of control and trigger low mood states, irritability, dizziness, difficulty focusing, extreme fatigue, loss of memory, gas, bloating, diarrhea, constipation and weight fluctuation.\* More than 100 million Americans are thought to suffer from candida overgrowth.\*

### About the Formula:

**Calcium Caprylate** helps to rebalance friendly flora and reduce an overabundance of Candida albicans yeast in the body.\*

**Olive Leaf Extract** supports immune system function.\* Caprylic Acidwork directly against unwanted materials by stimulating protective cells (phagocytes) to ingest them without suppressing the immune system or damaging the body's beneficial flora.\*

**Betaine hydrochloride** provides acid balance in the stomach.\* Low stomach acid interferes with digestion and the absorption of nutrients.\*

**Berberine** inhibits the growth of many microorganisms, including fungi, protozoa, and bacteria.\*

**Grapefruit Seed Extract** supports a healthy gastrointestinal system by helping maintain a healthy microbial balance.\*

**Cellulase and Hemicellulase** are fiber digesting enzymes that help to balance good and bad microflora.\* They can break down the cell wall of candida.\* Candida's fibrous structures can be more quickly and completely digested without releasing any toxins.\*

### Supplement Facts

#### Serving Size 3 Capsules

#### Each serving contains:

Calcium (as Ca Caprylate)	11.6 mg
Magnesium (as Mg Caprylate)	30 mg
Cellulase (75,000 CU/g)	500 mg
Caprylic Acid (as Mg & Ca Caprylate)	400 mg
Betaine HCl	250 mg
Berberine Sulfate	200 mg
Grapefruit Seed 4:1 Extract	200 mg
Hemicellulase (200,000 HCU/g)	154 mg
Olive Leaf Extract	100 mg
yielding Oleuropein	15 mg

Other ingredients: vegetable cellulose (capsule), microcrystalline cellulose, silica, vegetarian leucine.

**Warning:** Do not take this product if pregnant or nursing.

**Suggested Use:** As a dietary supplement, take 3 capsules, once or twice daily as needed on an empty stomach, or as directed by your healthcare practitioner.

Sold Exclusively Through Healthcare Practitioners.
