

SPECTRA PURPLES[™]

Unleash the Power of Purple with this Healthy Aging Drink Mix*

- Supports memory and focus*
- Promotes healthy aging*
- Helps maintain a healthy cardiovascular system*
- Supports optimal immune function*
- Tasty drink mix makes it easy to get enough fruit and veggies*

There's no better way to keep your mind and body healthy as you age than to eat lots of purple fruits and vegetables.* These darkly colored foods are loaded with antioxidants.* But the busier you are, the harder it is to eat enough of these nutritious foods.* DaVinci[®] Laboratories has your back with Spectra Purples[™], a convenient way to get more purple fruits and vegetables without excessive calories, sugars, or starch.* It's a tasty, berry-flavored drink mix sweetened with stevia and purple carrot that contains healthy aging nutrients like Alpha GPC (glycerylphosphorylcholine) and L-carnosine.*

Boost Mental Clarity and Focus*

Spectra Purples[™] contains anthocyanins, ellagic acid, phenolics, quercetin, and other plant-derived compounds to rejuvenate the mind and body.* Alpha GPC, phosphatidylserine, and L-carnosine are also included to promote the health of neurons and support memory.*

Lend a Hand to Cardio Health*

Powerful ingredients like goji berries ("the longevity fruit"), quercetin, pomegranate, bilberries, blackberries, black cherries, and blueberries help keep the blood flowing smoothly through the circulatory system.* Good circulation is important to deliver oxygen and nutrients throughout the body, maintain heart health, and ensure you keep moving as you age.* The pomegranate in Spectra Purples[™] has a higher phenolic content than the leading commercially available pomegranate juices with fewer sugars, carbs, and calories.*

Have Radiant Skin*

Spectra Purples[™] promotes smooth, radiant skin thanks to ingredients like acai, goji berries, camu camu, ellagic acid, and black currants.* These ingredients support skin health and helping to protect against environmental pollutants, fending off dry, wrinkled skin.* Acai boasts one of the highest antioxidant values of any edible berry in the world, so your skin has a powerful ally on its side.*

Help to Keep Your Immune System Healthy*

Quercetin, acai, mangosteen, goji berry, camu camu, plums, black raspberries, and bilberry all support the immune system.* Camu camu helps maintain optimal immune health during everyday stress.* Mangosteen does double duty by supporting the immune system while managing histamine levels.*

Spectra Purples[™] is recommended for:*

- Occasional forgetfulness*
- Aged skin*
- Support healthy aging*
- Circulation, arteries, and blood vessels*
- Immunity support*

Suggested Use: As a dietary supplement, mix 10.95 g (approximately 1 scoop), daily, in 6-8 oz. of cold water or juice, or as directed by your healthcare practitioner.
