

DAILY BEST™ ULTRA

Daily Best™ Ultra is a balanced, convenient, economical one a day multiple vitamin/mineral supplement for adults.

Daily Best™ Ultra is a balanced, convenient, economical one a day multiple vitamin/mineral supplement for adults.

Daily Best™ Ultra combines 27 nutrients including:

- Active form of Vitamin B12 (methylcobalamin)
- Active form of Vitamin B6 (pyridoxal-5-phosphate)
- Folate (as L-Methyltetrahydrofolate Calcium)
- Vitamin K2 as Menaquinone-7
- Coenzyme Q10
- Alpha Lipoic Acid
- Lutein, Lycopene and Zeaxanthin

Daily Best™ Ultra offers vital nutrients for support of:

- Bone health by providing adequate dietary intake of all the B Vitamins along with Vitamins D & K2, Boron and Zinc.*
- Cardiovascular health by providing Coenzyme Q10, Lycopene, Lutein, Zeaxanthin, Vitamins A, C, E, Beta-Carotene and a complete B Vitamin complex.*
- Metabolic functions such as proper blood glucose levels which is supported by Vitamins C, E, B6, B12, Niacin and Biotin as well as Chromium, Alpha Lipoic Acid and Manganese.*
- Antioxidant and free-radical neutralization support due to Vitamin A, C, E, Beta-Carotene, Lutein, Alpha Lipoic Acid, Lycopene and Zeaxanthin.*
- Lipotropic factors like Choline and Inositol, which support fat metabolism and myelin sheath health.*

Suggested Use: As a dietary supplement, take one capsule daily with food, or as directed by your healthcare practitioner.

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 60

Amount Per Serving	% Daily Value
Vitamin A (as 50% Retinyl Acetate, 50% Beta-Carotene) 1,050 mcg	117%
Vitamin C (as Ascorbic Acid) 150 mg	167%
Vitamin D3 (as Cholecalciferol) 50 mcg (2,000 IU)	250%
Vitamin E (as d-alpha Tocopheryl Succinate) 20.1 mg	134%
Thiamine (as Thiamine HCl) 5 mg	417%
Riboflavin (as Riboflavin 5-Phosphate) 3.5 mg	269%
Niacin (as Niacinamide) 20 mg	125%
Vitamin B6 (as Pyridoxal 5-Phosphate) 5 mg	294%
Folate (as L-Methyltetrahydrofolate Calcium) 400 mcg DFE	100%
Vitamin B12 (as Methylcobalamin) 500 mcg	20,883%
Biotin 300 mcg	1000%
Pantothenic Acid (as Ca Pantothenate) 10 mg	200%
Choline (as Choline Bitartrate) 25 mg	5%
Iodine (as K Iodide) 150 mcg	100%
Zinc (as Zn Citrate) 25 mg	227%
Selenium (as Selenomethionine) 50 mcg	91%
Manganese (as Mn Citrate) 2 mg	87%
Chromium (as Cr Polynicotinate) 200 mcg	571%
Molybdenum (as Molybdenum Glycinate Chelate) 75 mcg	167%
Coenzyme Q10 50 mg	*
Alpha Lipoic Acid 50 mg	*
Inositol 25 mg	*
Lutein 3 mg	*
Boron (as B Amino Acid Chelate) 1 mg	*
Lycopene 500 mcg	*
Zeaxanthin 500 mcg	*
Vitamin K2 (as Menaquinone-7) 50 mcg	*

*Daily Value not established.

Other ingredients: hypromellose (capsule), microcrystalline cellulose, vegetarian leucine.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.

GLUTATHIONE

Setting the Benchmark for Glutathione Absorption*

- 2.5 times more bioavailable*
- Powerful support for immune health*
- Helps maintain cognitive health*
- Supports detoxification within the body*
- Encourages a healthy gut lining*
- Promotes energy and vitality*

Glutathione is the body's master antioxidant and it plays an important role in maintaining cellular health.*^{1,2} Until now, standard glutathione supplements were easily broken down and poorly absorbed.* That's why DaVinci[®] Laboratories created Glutathione with Provail[®], a glutathione supplement with 2.5 times better bioavailability than the leading competitor.* It works fast, helps to maintain your immune system, soothes your digestive tract, and helps you think clearly.*

A Revolutionary Glutathione Supplement

Glutathione with Provail[®] works better, faster, and goes deeper than regular glutathione with its impressive bioavailability-boosting technology.* Provail[®] is a structurally changed, ultra-small whey protein matrix, similar to the size of casein micelles (or protein-mineral clusters) in milk. This polymerized whey protein matrix coats the glutathione to help maintain its structure as it travels through the gastrointestinal tract.* Think of this specialized whey protein as an envelope that contains a nutrient inside of it—namely glutathione. When the protective envelope arrives in the small intestine, it opens up and releases glutathione for maximum absorption.*

A 2021 animal study published in *Molecules* by Zhang and colleagues showed that Glutathione with Provail[®] was absorbed 2.5 times better, raised blood and tissue levels of glutathione, and boosted blood antioxidant activity more than the leading brand of glutathione.*² It's so powerful that you only need 200 mg compared to 500 mg of standard glutathione.*²

In synergy with glutathione, the whey protein in Provail[®] supports musculoskeletal health, a strong gut lining, the removal of unwanted substances,^{3,4} firm and flexible arteries,⁵ and cognitive function.*^{5,6}

DaVinci[®] Laboratories' innovative glutathione delivery system has another advantage: it is a pure, clean, simple supplement.* Whey protein, glutathione, cellulose, and leucine are the only ingredients. Glutathione with Provail[®] does not contain the carriers and inactive ingredients found in other glutathione supplements. Glutathione with Provail[®] is free of hormones and gluten.

Boost the Gut-Immune System with a More Bioavailable Glutathione*

Glutathione with Provail[®] supports a strong immune system^{1,3,4} and digestive system.* As an antioxidant,¹ glutathione soothes the intestinal lining and supports a healthy inflammatory response.*⁷ This supports immune imbalance throughout the body and helps to promote a healthy gut lining and intestines.*

Think More Clearly and Stay Focused*

Higher levels of glutathione in the brain are linked to normal neuron levels and a healthy aging process.*⁸ Keeping your glutathione levels optimal means you're less likely to forget where you put your car keys.* Glutathione also can help kids and adolescents stay focused due to its important role in children's brain health.*^{9,10}

Glutathione with Provail[®] is Recommended for:

- Better, faster, and deeper glutathione delivery*
- Promoting a balanced immune system*
- Brain health and cognitive function*
- Helping to maintain concentration and focus*
- Supporting healthy gastrointestinal function*
- Heavy metal exposures*
- Healthy aging and vitality*

Suggested Use: As a dietary supplement, take 1 capsule daily, or as directed by your healthcare practitioner.

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 30

Amount Per Serving	% Daily Value
L-Glutathione (from Provail [®])	
Whey Encapsulated L-Glutathione	
(Reduced) 200 mg	*

*Daily Value not established.

Other ingredients: hypromellose (capsule), microcrystalline cellulose, vegetarian leucine.

Contains: Milk.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.

MEGA PROBIOTIC[™] ND

A Nondairy Probiotic Supplement to Support Digestive Tract Health*

Mega Probiotic[™] ND is a non-dairy probiotic formulation produced from beneficial microorganisms and FOS to support digestive tract health.*

Mega Probiotic[™] ND is:

- Guaranteed to contain 5 billion microorganisms per capsule with 8 different strains from non-dairy sources!
- Recommended for children, adults and the elderly

Recommended For:

- Gastrointestinal and neurological support*
- Individuals who are lactose intolerant*
- Normalizing digestion*
- Supporting regularity*

About the Formula

- **Lactobacilli** (*L. acidophilus*, *L. rhamnosus*, *L. casei*) are located in the small intestine and produce lactic acid. Many strains of bacteria from the Lactobacillus family have been shown to promote regularity, support urogenital and vaginal health as well as produce the lactase enzyme and protect the gut lining from unwanted materials.*
- **Bifidobacteria** (*B. lactis*, *B. breve*, *B. longum*, *B. bifidum*) are located in the colon and produce lactic and acetic acids, making the gut a very inhospitable place for unwanted materials. Bifidobacteria have been shown to promote regularity.*
- **Streptococcus thermophilus** is also a lactic acid producer which lines the gut wall to provide a barrier from unwanted materials, promotes regularity and produces the lactase enzyme.*

- **Fructooligosaccharides (FOS)** are considered a soluble fiber and prebiotic, which supports the growth of beneficial microorganisms in the intestinal tract.* FOS, as a fiber, increases the bulk in the gut to promote regularity.*

Suggested Use: As a dietary supplement, follow recommendations below or as directed by your healthcare practitioner.

Initial: Take amount below twice daily, after breakfast and after dinner.

Children age 4 and older: 1 capsule

Adult: 2 capsules

Senior: 3 capsules

Maintenance: Take amount above once a day after breakfast.

Supplement Facts

Serving Size 3 Capsules

Servings Per Container 40

Amount Per Serving	% Daily Value
Stabilized Nondairy Probiotic Complex 185.65 mg (15 billion CFU)	*
Fructooligosaccharides (FOS), <i>Lactobacillus acidophilus</i> , <i>Bifidobacterium lactis</i> , <i>Lactobacillus casei</i> , <i>Streptococcus thermophilus</i> , <i>Bifidobacterium breve</i> , <i>Lactobacillus rhamnosus</i> , <i>Bifidobacterium longum</i> , <i>Bifidobacterium bifidum</i>	

*Daily Value not established.

Other ingredients: microcrystalline cellulose, vegetable cellulose (capsule), ascorbyl palmitate.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.
