G.I. BENEFITS®

Comprehensive Support for Optimal GI Health*

- Encourages GI comfort*
- Strengthens and repairs the intestinal lining*
- Balances the immune system in the gut*
- Promotes regular bathroom habits*
- Supports healthy levels of beneficial bacteria*

Today, many clinicians and scientists agree that gastrointestinal health is essential for overall health and wellness. Common signs that the digestive system needs a healthy reboot are: gas, bloating, occasional constipation or diarrhea, and mild abdominal discomfort.*

G.I. Benefits® from DaVinci Laboratories is a comprehensive collection of ingredients that soothe and help repair the digestive tract.* The most advanced digestive health formula on the market, G.I. Benefits® is the cornerstone of a gut health protocol.* It calms the immune system, nourishes the gut lining, and promotes good bacteria.*

Keeps the Intestinal Lining Healthy*

Key ingredients in G.I. Benefits® such as L-glutamine and marshmallow stop intestinal permeability (also known as “leaky gut”), where a weakened intestinal wall allows unwanted substances into the bloodstream.* Addressing leaky gut can balance the immune system, ward off food sensitivities, and improve brain function.*

Say Goodbye to Occasional Digestive Discomfort*

Arabinogalactans and slippery elm in G.I. Benefits® promote the growth of beneficial bacteria.* Arabinogalactans balance the immune system in the gut and work with other ingredients to maintain comfortable bathroom habits.* Aloe vera leaf extract and deglycyrrhizinated licorice support the body’s ability to maintain the stomach lining.* PepZinGI®, a unique, patented form of elemental zinc bound to L-carnosine, maintains small bowel function, promotes a healthy stomach lining, and relieves occasional gastric discomfort.*

Great-Tasting Drink Mix

G.I. Benefits® is a delicious berry drink mix. It’s a powder that mixes easily into beverages or food. Plus, it’s sweetened with stevia and contains ingredients that do not typically cause gas and/or bloating.*

The G.I. Benefits® Advantage

- A great-tasting drink mix without ingredients that cause gas and/or bloating.*
- Promotes small intestinal health.*
- Encourages a balanced immune response.*
- Supports the intestinal lining and helps with leaky gut.*

Suggested Use: As a dietary supplement, mix one scoop (12.81 g) with cold water or juice once daily or as directed by your healthcare provider.
