

NEURO BENEFITS™

Stay Mentally Sharp with Powerful Nutrients and Botanicals*

- Helps keep the brain healthy*
- Helps promote focus and concentration*
- Supports memory and cognitive function*
- Maintains a calm mood*

Whether you want to keep your mind sharp in your golden years, you're an executive who wants to set records, or you're an athlete looking for fast reaction times, Neuro Benefits™ from DaVinci® Laboratories helps promote optimal cognitive function.* This innovative formula contains nutrients and botanicals to support healthy neurological function and memory.*

Stay Focused*

Chocamine®, a branded cocoa extract included in Neuro Benefits™, keeps you focused and promotes a fast reaction time.* Bacopa monnieri, a botanical, is known for helping maintain focus and concentration.* Ginkgo biloba is included in this formula to help promote a healthy attention span.*

Always Remember Your Car Keys*

Neuro Benefits™ helps sharpen the mind.* If your executive function isn't up to par, you might find it hard to focus, follow directions, and keep your emotions steady.* Bacopa supports word recall, memory retention, and overall executive function, while Chocamine® maintains short-term memory.* Sharp-PS® Green Phosphatidylserine is a fatty acid that helps maintain healthy levels of neurotransmitters that affect memory.* Ginkgo is included to support healthy cognitive and neurological function.*

Keep Your Brain Healthy*

Neuro Benefits™ helps to support neurological function.* Bacopa supports the health of neurons.* Curcumin and acetyl-L-carnitine support levels of brain-derived neurotrophic factor (BDNF), a growth hormone involved in neuronal growth and survival, which is essential for learning and memory.* Neuro Benefits™ also contains Meriva® Curcumin Phytosome, a special blend of Curcuma longa and phosphatidylserine which is better absorbed than standard curcumin, so it can get right to work supporting brain health and a balanced inflammatory response.*

Support a Calm, Happy Mood*

Chocamine® and Sharp-PS® Green Phosphatidylserine help promote healthy levels of neurotransmitters like dopamine.* This brain chemical is involved in pleasure, satisfaction, and motivation.* Balanced neurotransmitters keep your emotions on an even keel.*

Neuro Benefits™ is recommended for:

- Memory support*
- Neurological function*
- Athletic performance*
- Focus and concentration*
- College students*
- Business executives and entrepreneurs*
