

VETERINARY STRENGTH

VETRIFLEX®

# HEALTHY HIP & JOINT

New Look, Same Great Formula!

Our most advanced joint support formula for dogs

Patented Phytosome™ technology activates the antioxidant power of curcumin, boswellia and grape seed extract by providing greater bioavailability than standard extracts

Features the clinically proven GlycoFlex® 3 formula plus additional antioxidant herbal extracts

By supporting a healthy inflammatory process, the formula provides superior joint comfort to dogs with the most advanced conditions

### Recommended for:

- ✓ Senior dogs in need of advanced joint support
- ✓ Breeds that are predisposed to joint issues
- ✓ Active and working dogs prone to joint tears and tissue damage
- ✓ Dogs with severe joint conditions
