RENAL ESSENTIALS PRO LIQUID

FELINE FORMULA

ALL AGES

DAILY OR AS NEEDED

PRODUCT DETAILS:

Renal Essentials Pro Liquid is recommended for cats who need an easily administered kidney supplement.

LIQUID FORMULA

RECOMMENDED FOR:

- › Senior or geriatric cats during times of decreased kidney function
- › Supporting proper kidney function during times of occasional renal stress
- › Cats in need of support for circulatory and kidney health
- › Supporting renal blood flow to encourage normal detoxification
- › Supporting kidney health in conjunction with traditional approaches

Renal Essentials Pro Liquid is a superior kidney support formula that comes in a convenient and palatable liquid form to promote optimal kidney function in cats.

Helps maintain proper kidney function by supporting:

- › Renal circulation
- › Antioxidant activity
- › Normal fluid retention
- › Optimal kidney and liver function
- › Normal detoxification
- › Enhanced compliance and ease of use

- › *Cordyceps sinensis* Extract is an adaptogen and antioxidant. It supports immune system function, energy production, and normal kidney detoxification and function.
- › Vitamin B12 helps support blood circulation, methylation, and sulphuration pathways. Supplementation with B12 may be beneficial, as B vitamins are water-soluble and aren't always properly recycled through the kidneys.

INGREDIENTS OF INTEREST:

- › Astragalus Root Powder is an adaptogen that supports immune system function and kidney circulation.
- › *Rehmannia glutinosa* is a Chinese herb traditionally used as a blood tonic and to support urine flow. It is an adaptogen that supports kidney circulation and function as well as liver function.
- › Nettle (*Urtica dioica*) Seed Extract supports the immune system, circulation, normal detoxification functions, and balanced fluid retention.
- › N,N-Dimethylglycine (DMG) supports and enhances the immune response, aids the body in healing, and supports healthy blood flow to the kidneys.

DIRECTIONS FOR USE:

Give 2 ml daily orally or in food.

Daily amount may be divided between AM and PM.

ACTIVE INGREDIENTS PER 2 ML:

Astragalus Root Powder	.60 mg
<i>Rehmannia glutinosa</i> Root Extract	.50 mg
